Plans Unveiled for Protector Group and Fallon Clinic Location on North Main Street

MILLBURY - The September 26 meeting of the Millbury Planning Board was characterized by an active agenda which included old issues and a new proposal.

The meeting began with an informal discussion with David Grenon, president of the Protector Group Insurance Agency with a local office on Howe Avenue in Millbury and Grenon's attorney, Lawrence Brodeur. Brodeur discussed a proposal for property located on North Main Street which abuts the Shell station on Rte. 146.

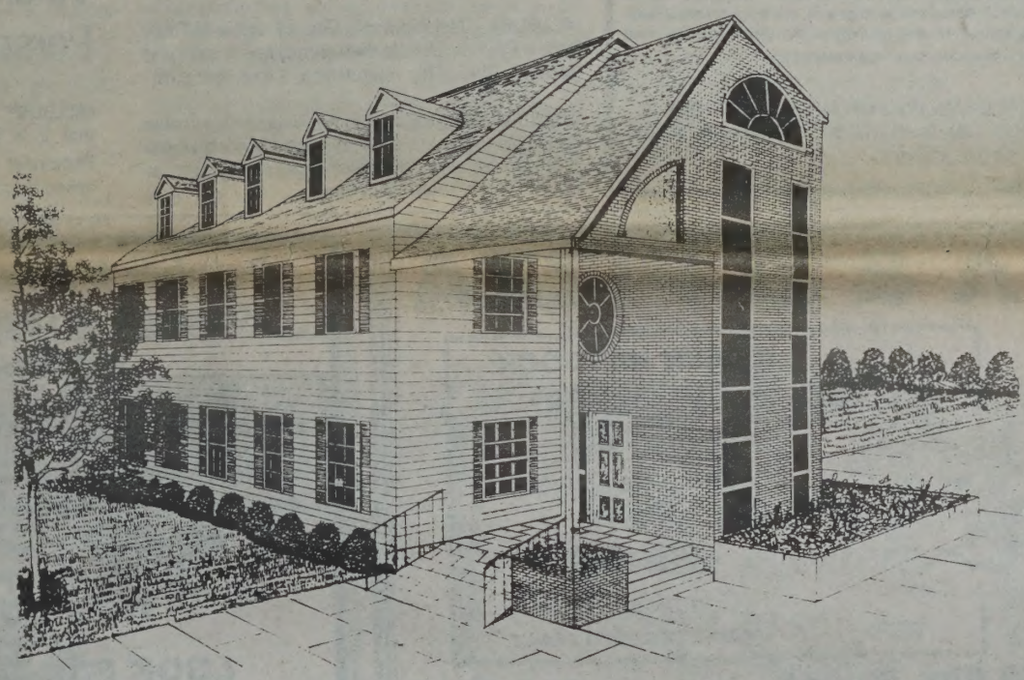
According to Brodeur, the proposal will seek to develop two parcels, a 27,000 sq. ft. parcel with an existing two family dwelling and an adjacent 1.2 acre vacant lot which will house a new branch of the Fallon Clinic.

The two family dwelling will undergo extensive renovations which, when complete, will house an apartment on the second floor and the Protector Group office on the first floor. The building presently contains two apartments.

Grenon explained that the Protector Group building was being designed by M.J. Casa and would be a complete rehabilitation of the existing structure, making it "an attractive addition to the area." He further stated that Fallon would be looking to design something "architecturally appealing" on the 1.2 acre parcel abutting the office/apartment building.

Preliminary plans for the 15,000 sq. ft., two story Fallon Clinic facility include plans for the grounds, 75 parking spaces for the clinic and 14 parking spaces for the agency. Because the clinic/office will be located on an unusual parcel which contains three different zones, business, industrial and residential, it will be necessary for Grenon to seek a variance from the Zoning Board of Appeals.

According to Grenon 25% of Millbury residents are members of the Fallon Clinic. He maintained that the facility would be a benefit to the community by offering residents convenient access to medical care in an attractive location.



Architect's drawing of the proposed Protector Group Building

Continuation of Notidis Hearing

The Board continued a hearing from August 22 on a request from Spiro Notidis of 3 Dolan Road for a special permit to add one dwelling unit at 2-4 Sutton Road to an existing two family dwelling.

During the August 22 hearing, it was disclosed that the apartment was already constructed and being rented. The board had agreed to visit the site and consider the objections presented by abuttors but could not gain access to the apartment when they arrived.

Anna Lewandowski, Planning Board Chairman, said to Notidis, "I am a little upset that we made an appointment to see the apartment and couldn't see it."

Notidis apologized, maintaining that the tenant had changed her mind at the last minute.

Lewandowski noted that what she did observe was a blocked stairway and inadequate parking facilities. "When I drove by this week, I also saw the trailer back," she said. (One of the tenants was running a motor home sales business out of his home which was not in compliance with town by-laws. The tenant was notified to remove the trailers.)

Lewandoswki said that the most important issue is that building lacks adequate sewerage for a third apartment.

After a brief discussion, the hearing was closed to vote on the petition.

Board member Lillian Moore made a motion to approve the special permit; there was no second to her motion.

Board member Terry Burke Dotson then moved: 1. to deny the special permit, 2. that the apartment be closed, and 3. that a notice to evict in 45 days be served.

The motion to deny passed 3-1.

Goretti Supermarket

Prior to resuming a public hearing on Goretti Management's plans to construct a supermarket off Howe Avenue, Lewandowski read several letters that the board received pertaining to the proposed site.

Among the letters received was one from the Millbury School Department stating, "We feel very strongly that this parcel could be used for recreation and wish to go on record to that effect."

The board also received a letter from the Central Mass Regional Planning Commission which stated that after reviewing the Goretti plans and viewing the site, they feel additional information is necessary before the traffic impact can be adequately addressed. According to the letter, "The biggest omission (in the Goretti traffic study) is any evaluation of the Canal Street/Elm Street intersection."

A letter was also read from the Millbury Historical Commission which stated that the commission found that the site had "two items of significant

We the people...

Criticizes Mental Health System

To the Editor:

The Mental Health System in Massachusetts is in need of leadership and direction. The recent rash of deaths at Worcester State Hospital and the escapes at Westlake in Grafton are clear indications of a leadership and management void.

The direction and leadership should first come from the State Senate and the General Court. The citizens of Grafton and its surrounding communities such as Westboro and Millbury should be alarmed that someone convicted of murder would be able to run loose in the area.

I am basing this criticism on my years of experience in the mental health field, having earned my Masters in Social Work as well as a Masters degree in Public Health from the University of Michigan and plain common sense approaches to problem solving as well. My experience as a clinical social worker, direct care provider and later as an administrator indicates that since the Governor's de-institutionalization of mental health patients ten years ago, the mental health system in Massachusetts is in disarray and chaos. Leadership concerning this is not coming from the joint committee chaired by Senator Houston. This individual is so preoccupied with delaying automobile insurance reform until after the November election that the health and safety of area residents and mental health clients is in jeopardy.

The people in the First Worcester-Middlesex District deserve the attention and leadership required to provide safety and security for patients and all residents in these communities.

Calendar

SATURDAY, OCTOBER 8

MILLBURY - Members of St. Brigid's Women's Club will sponsor their third annual Craft and Apple Fair from 10 a.m. to 2 p.m. in the church hall.

SUTTON - St. Mark's Parish, Boston Road, will hold a Flea Market and Bake Sale from 9 a.m. to 3 p.m. on the church grounds.

MILLBURY - The Women's Council of the Millbury Baptist Church will hold their annual flea market and fair at the side of the church from 9 a.m. to 2 p.m.

MILLBURY - Millbury's 175th Anniversary Committee invites the public to view the first showing of the 175th Anniversary celebration tapes at 7:30 p.m. at the V.F.W. on South Main Street.

TUESDAY, OCTOBER 11

MILLBURY - Millbury Mother's Club meeting will be held at 7:30 p.m. at the Raymond E. Shaw Middle School.

MILLBURY - Blood Pressure Clinic at the Asa Waters Mansion, from 9:30 to 11:30 a.m.

Corrections

Last week's report on the Sutton Selectmen's meeting should have read that the board amended the traffic rules and regulations to erect no parking signs after the curb is delineated by a white line at the Vaillancourt property located at Route 122A and Boston Road.

2. Last week's story on the tribute to Ellery Smith incorrectly stated that a letter read by Selectwoman Mary K. Connor was written by Carl Licopoli. The letter was written by Superintendent of Schools Gordon Spence.

3. One of the three Millbury High Students recognized by the National Merit Scholarship Program should have been identified in the photo as Michael Tift.

Meeting Notice

MILLBURY - Due to the Columbus Holiday, the Millbury Planning Board will hold its bi-monthly meeting on Thursday, October 13, 1988 at 7 p.m.

Volunteer Sought for Personnel Board

MILLBURY - The Board of Selectmen has announced that it is seeking a volunteer to serve on the Personnel Board. Anyone interested in serving is asked to call the Selectmen's office at 865-4710.

Millbury Selectmen's Meeting Digest

Board Decides on November 15 for Special Town Meeting

By Edward J. Cooney

MILLBURY - Chairman Jude Cristo called the September 27 Selectmen's meeting to order at 7 p.m. Warrants were signed by Cristo and Selectmen Adams and Gauthier. Roland Lachance and John Donnelly were absent. Minutes were dispensed with as they are in the process of being corrected.

Cristo then asked Administrative Assistant Earl Chase to give his weekly report.

Camp Marion

Chase reported that he received a press release from the Board of Trustees of Camp Marion announcing the intended sale of the camp and property on Lake Singletary. He also informed the board that the Sutton Recreation Committee is reviewing the option of buying the property.

Cristo suggested that a letter be sent to the Sutton selectmen for clarification on working jointly to consider acquiring the property.

Chase then asked the board for their feelings on pursuing the acquisition of the property.

Adams replied, "Stay active on it as long as it's practical to do so."

Cristo said that he could envision a lot of work, citing operational costs, maintenance, public safety and other issues associated with such a facility.

Civil Service List

Chase informed the board that he had pencilled notes from conversations with the State Personnel Board concerning the Civil Service list for police officers. Nine of fifteen on the list signed to be considered for appintment as patrolmen on the Millbury Police Department.

Chase told board members that they will have to choose three of the first seven highest on the list who accept.

Adams asked if the names were the same as those on the Commissions' list? Chase replied, "No, some of those did not sign in. One appeared today to sign in but I told him I could not accept the signature because the deadline had passed."

Four candidates will be interviewed next week and five the following week.

Paid Details

At 7:15, Provisional Police Chief Ron Stokowski was present to speak to the board about paid details for private construction projects that affect traffic safety.

The biggest issues, according to Stokowski, are that two projects, the South Main St. Bridge and Millbury Ave Reconstruction Projects, have no allowance in the specs for providing for paid details to cover traffic control and safety.

According to Adams, that contingency should have been addressed at the time of pre-bid conferences. "They should be knowledgeable if a project will require police protection," Adams said.

Cristo asked why Paul Larosa, the engineering consultant for both projects, had not included the need for paid details for safety. Chase replied, "It would increase the cost of the projects."

Cristo replied, "We always did. Now we don't put it in the specs."

Stokowski told the board that the contractor on the South Main Street Bridge Project says he has no money to pay for details at the worksite. "If I send an officer down," Stokowski said, "he is caught in the middle. It's not fair to the officer."

Stokowski suggested using a revolving account where money would be placed to pay officers who do off-duty paid details. An article would have to be filed by the board to fund the revolving account.

Stokowski also explained that some of the men have to wait one or two months to get paid. "We'll be out on a limb if we don't start addressing the problem," he said.

Adams expressed concern that the suggestion could set a precedent, stating, "The town could be responsible for payment for all outside jobs."

Stokowski replied, "What are we going to do? The contractor refuses to pay. I can't in good conscience send a man down there to work with no pay."

Adams suggested that Stokowski talk to the contractor and get it in writing that he can't pay for paid details. "The whole philosophy of the situation needs to be straightened out," Adams said, "but it can't be done in our meeting tonight."

Stokowski suggested that the matter be referred to Town Counsel, the Auditor, and the Treasurer.

DETAILS from Page 3

The discussion was then interrupted for an agenda item.

Tree Warden

At 7:45, the board met with Tree Warden Bill Berthiaume concerning recent and past problems with removing tree butts, dead trees, and limbs. Cristo also noted that townspeople had made complaints that their calls were not being returned.

Berthiaume said that one of the main problems was disposing of wood. He also cited difficulty in keeping people to do the required work.

Chase explained that several jobs had to be done and listed the street addresses where work needed to be performed.

Berthiaume said that trees at 28 Millbury Ave. were back-filled when the home was constructed which has caused some dead wood. He then explained that they were Linden trees and not good for burning. He also stated that people could take wood on the side of the road but most people aren't burning wood the way they have in the past.

Chase listed eight other street sites where complaints have been made concerning dead limbs and trees.

Responding to a question on complaints that telephone calls were not returned, Berthiaume said that his answering machine was not working correctly but he has now corrected the problem. He also said that he has recently hired a new person to work part time which will allow him to get some of the jobs done soon.

It was suggested that he check with Wheelabrator on the types and sizes of wood that can be brought to the plant. Berthiaume replied that he was told that nothing over six inches in diameter could be taken to the plant.

Board of Health Chairman Frank Piscitelli suggested that he check with the Board of Health secretary to see what can be taken up to the plant.

Transfer Station and Landfill Capping

At 8 p.m., the board met with the Solid Waste Committee, the Town Treasurer, the Auditor, the Assessors, the Board of Health, the Town Moderator, and some members of the Finance committee.

Cristo requested that discussion begin with the financial picture facing the Town. The Chairman of the Board of Assessors, Walter Hagstrom, led off the discussion by informing the assembly that a total evaluation will be available at the end of the week and a sum of $127,000 was available at present. It was noted by Adams that over-expenditures have reduced that amount considerably.

Town Treasurer Dave Cofske reported that the Town debt at FY '88 was $3,420,000. The original sewer line, which will be gone in FY '89, is $85,000 per year. Debt for the Middle School ends in FY '94, for the second sewer line project in FY '95, and for the high school addition in FY '98.

According to Cofske, the present sewer project has not been bonded as yet, and $1,600,000 is to be added. Total interest is $877,000 + with indebtedness of 4.3 million; $450,000 remains in the stabilization fund. Cofske also noted that $55,000 per month goes into the stabilization fund, plus the interest earned.

Richard Dwinell, Chairman of the Solid Waste Committee, indicated that the cost of building the Transfer Station was received in a low bid of $943,000. He noted that SEA, consultants, recommended a 10% contingency fund of $93,000. Because of the DEQE requirement of security during construction, an additional amount of $50,000 will be needed for a total of $1,086,000. An article has been submitted to the board already and the dollar figure will be 1.1 million.

Dwinell also noted that the 10% contingency fund might be downgraded and will be discussed further in committee. He indicated that a dry hydrant will be required and installed.

Board of Health Chairman Frank Piscitelli reviewed the figures and costs for capping the landfill.

He said that capping will involve only 13 acres rather than the original estimated 18 acres, thus reducing the cost from 1.6 million to 1.2 million. The article from the Board of Health will be requesting 1.4 million, according to Piscitelli.

Under a "best case scenario," Piscitelli said that the town could possibly receive $500,000 in state grant money if the application is approved by the state.

Cristo then asked for viewpoints on bonding. Cofske said, "It is a simple concept, the shorter the bond issue, the less cost." He noted that if a bond is extended from 5 to 8 to 11 years, there would be additional projections of $110,000 for each scenario. He also said that several experts have remarked that after the national election, rates will be going up.

Cristo noted that the town will have to "bite the bullet" over the next several years which would preclude other major projects. Cofske agreed that the town would have to "pull the belt tight."

Dwinell suggested that money in the stabilization fund from Wheelabrator be given consideration to pay for some of the cost of the projects.

Cofske said that the town has used up the end of revenue sharing money and a big chunk was taken out of the stabilization fund this year. "It must be made up. The picture is not too great," he said.

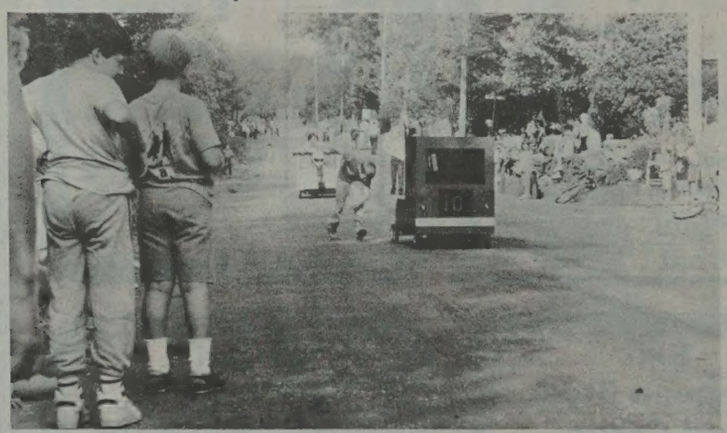
Heritage Homecoming activities highlight small town America at its best

SUTTON - The Sutton Friends of Elders enjoyed an afternoon of fun and entertainment as part of the Heritage celebration, including a sing-a-long and a bingo game (above).

SUTTON - (L-R) Karen Maynard and Irma Whitney stand behind one of the craft displays featured at the Sutton Library on Saturday. Karen and Irma were also very busy directing the public to the "most read" sections in the library.

SUTTON - (L-R) Judges and Winners of the Apple Pie Contest sponsored by the Anonymous Woman: (L-R) Selectman Wally Johnson (judge), Bev Lavallee (1st place), Police Chief Robert Conley, Cheryl Bohanan (2nd place), Helen Ordung (Judge) and Helen King (4th place). The third place winner was Eva Hackett, and placing fifth was Linda Bjorn.

SUTTON - (L-R) Virginia Merrill, Museum Curator Marieta Howard, and Millie and Dan Griffith are shown holding an 1800's shawl which was one of the many items on display at the General Rufus Putnam Museum.



SUTTON - The Soap Box Derby sponsored by the Sutton Lions Club attracted a record number of entrants and an enthusiastic group of spectators.

Youngsters have their faces painted at Waters Farm.

The old fashioned way to make cider was demonstrated at Waters Farm.

Can anyone tell us why Red Bedrosian was kept in the barn on Waters Farm Day?

GORETTI from page 1

historical interest:" the wood frame depot is the last remaining vestige of the Millbury Branch Railroad dating back to 1837, and the rear of the site may contain structural remains of locks 38, 39, and 40 of the original Blackstone Canal. The letter asked that the Goretti's incorporate preservation efforts in their construction plans.

The meeting then turned to Goretti Management Attorney Joel Greene and BSC traffic engineer Charlie Kalauskas who addressed concerns relating to traffic. Greene told the board that the traffic study shows that the town presently has a traffic problem at the Canal/Elm intersection. "You have a problem that is not of our doing," he said. Greene also said that Goretti's would hire a police officer to handle problems during peak hours.

A discussion also developed on the proposal to use Railroad Court as an emergency exit. Responding to a question on the proposed width of Railroad Court, Fred Hamway, a civil engineer with BSC Engineering, replied that it would be approximately 20 feet wide.

Gloria Millette, of 17 Canal Street, maintained that a survey plan completed in 1978 and the assessors records both show Railroad Court as being 33 feet wide. "Why is it being reduced?" she asked. "I and the other abutters feel it sounds like an infringement."

Hamway replied, "There's no recorded easement with the deeds. To my knowledge there's no easement right of way through there."

Other abuttors immediately spoke up and maintained that their deeds do show a right of way easement. According to Hildegarde Noel, who resides at 3 Railroad Court, "You're taking the road away from us. If there's an emergency, nobody can get in."

The board will investigate the matter further.

Greene also explained that, while the Gorettis were not trying to force a decision by the Board, he was in possession of a letter from their contractor which stated that the latest start date for construction was October 10.

Lewandowski responded that the board could not meet again on the proposal until October 24 because their October 13th meeting was "booked solid at this time."

The hearing was continued until October 24 at 7:30 p.m.

Hayward Glen

Developer Russell F. Bedard and his attorney, Andrew Jepky, were present for an informal discussion over the issue of bonding for Phase I of the Hayward Glen Development off Millbury Ave. Town Planner, Dave Hulseberg, at the request of Anna Lewandowski, gave an update of the situation. He explained that, as a new town planner, he took inventory of all the projects in town "to insure that all criteria were being met."

According to Hulseberg, "Upon my review, it came to my attention that a bond was never in place. Based on a letter from Bedard's attorney dated September 20, 1987, it was stated that they (Bedard) knew there was no bond but they would be happy to come into an agreement with the town."

Hulseberg continued, "I talked with Mr. Bedard in June and again in July. In July I sent a letter to the Building Inspector, notifying him that a bond was not in place. He took notice and put a Cease and Desist on the property for the occupancy permits and building permits for the future, at which time our intention was to work with Mr. Bedard to try to get a solution. Mr. Bedard said, 'I'll be happy to work you.' We gave him plenty of time, I would say a little over a month before that July letter was issued to him stating that that's it, you need to get your act together, we need to know what's going on up there."

Hulseberg then explained that, under the board's direction, he contacted Boston Survey Consultants to determine how much work was left to be done at the site to complete Phase I. Hulseberg also noted that a fee of $1200 has been charged to the town for that work.

Jepky took issue with the figures provided by BSC, which totalled $645,000. According to Jepky, "We have two separate sets of engineering figures. One by our engineer and one by the engineer the construction lender has used. Neither of those figures bears even a slight relation to the figures you got from your engineer. Where $110,000 turns into $645,000 is hard for us to understand."

Hulseberg voiced his satisfaction with BSC saying that he has complete confidence in their figures. "If somebody could provide other engineering data," Hulseberg said, "we'd be happy to talk about those figures."

Lewandowski suggested that Bedard and the town's engineer meet to compare what was included in BSC's figure and what Bedard states is left to complete. One item that differed was the cost of completing the retention pond which the builder maintains could be completed for $35,000. Ms. Lewandowski stated that she was under the impression that the retention pond was supposed to be "more than a duck pond or a swampy marsh."

Hulseberg said he would be agreeable to meeting with the builders to resolve the issue. "I've been trying to do this for over three months now," he said, "and this is the first time that enough pressure has been applied through community effort to resolve this."

Jepky argued that some ambiguity existed in the figures but agreed that a bond should be in place. "We're here in good faith to try to resolve this, but the difference in figures is so overwhelming."

Lewandowski noted that the planning board and other town officials had also been trying to contact Bedard. "The town corresponded quite a few times, and we got no response. We were looking to get the end of that road done and the curbing put in before they did the road on Millbury Ave, and I myself said to Dave 'Contact him, get a hold of Bedard,' and Dave said 'I'm not getting any answer.' Joe Chase was trying to get hold of you and was getting no answer. The selectmen were trying to get hold of you and were getting no answer."

HAYWARD from Page 7

Lewandowski also noted that the problem has existed for some time. "This is an issue that has been going on since we started doing Millbury Ave, which I think was about a year ago....We have been very patiently asking Mr. Bedard to get something going. Our final recourse was to get our own survey and get that whole thing done.... If we have to do it, we're going to do it right."

Lewandowski then said that the parties should sit down and review the figures, arguing that it was costing the town time and money.

Lewandowski also said that she was considering asking the board to consider the possibility of rescinding Phase II and III at Hayward Glen. "I feel that we've had a very poor rapport with Mr. Bedard," she said. "If we have a repeat of the past performance then I certainly would not want to be going into the next two phases. We've got to get this first phase cleaned up before we even look at phase II. And I would consider rescinding phase II and III."

Jepky countered, saying, "If that's the route that the board wants to take, if the board wants to make it as difficult as possible for us to reconcile this matter and move on, then the board's going to do what they have to do, and we're going to do what we have to do."

Jepky also said that his only quarrel was with the BSC figure. "We think it's way out of line."

Terry Burke Dotson suggested that Bedard go with the $645,000 figure. "If, as you say, you can do it cheaper, then I strongly recommend that you do it, do it now, then get your bond back." Dotson also agreed that Phase II and III should be rescinded if "bad faith has been shown."

Jepky responded that he did not feel they had acted in bad faith.

Board member Arthur Moore suggested that the developer reimburse the town for the $1200 spent on the work done by BSC. "The $1,200 dollars we spent didn't come out of your pockets, they came out of the taxpayers', out of the town's. Why should they not be reimbursed for the $1,200 along with your bond. There's no sense for the town paying for what we did down there because it was your error to start off with. So if you're in such good faith, then reimburse us our $1,200 along with your bond."

Dr. and Mrs. Pahn were present in the audience to ask the Board to consider allowing an occupancy permit to allow them to move into a home which they are in the process of purchasing at Hayward Glen.

While sympathetic to the Pahn's plight, Mrs. Lewandowski stated, "It's too bad that we have to introduce you to the community under this type of situation but we do have our business that we have to abide by." She also told that the Pahns that the town has to have a bond in place in order to protect all the residents of Hayward Glen.

It was agreed that the town planner would meet with the developer to review BSC's figures and to try and resolve the impasse.

DMH Facility Again Focus of Sutton Selectmen's Meeting

By Terry Barnicle

SUTTON - The September 27 Selectmen's meeting saw a continuation of a discussion on a proposal from the Department of Mental Health to operate a facility on West Sutton Road to house four youths. Present were Mike Chizy, chairman of the Board of Selectmen, and members Mary K. Connor, Rick LaBonte, and Wally Johnson. Also in attendance were representatives from the Department of Mental Health and Basic Health Managements, Inc., a private corporation under contract with the DMH to operate the Sutton home.

Gerald Kokernak, DMH Regional Director, reported that the DMH had organized a visit to a similar home located in Millbury but the visit had to be cancelled due to lack of interest.

Mark Stuart, Basic Health Management Regional Director, said that last Monday an informational meeting was held with residents in the area of the proposed home, at which Dr. Daniel Lambert of the Community Counselling Center of Milford spoke on adolescents and "allayed many fears." According to Stuart, the meeting was attended by approximately 15 residents. He said the meeting went well and that many questions were answered. He also suggested the formation of a citizens' advisory group which would meet on a monthly basis and monitor the West Sutton Road program.

At the Selectmen's September 27 meeting, the recent Westlake incident in Grafton was central to the discussion. On Sunday, September 25, two residents of Westlake Academy walked away from the facility and were free for three hours before being picked up by Shrewsbury police.

Residents in the area of the proposed Sutton facility requested that a written agreement be made stating that the residents of the facility on West Sutton Road have no prior criminal records.

The selectmen were also disturbed by the revelations concerning Westlake. Chairman Mike Chizy reaffirmed his support for the program, but pointed out that Sutton residents were given the same promises as the residents of Grafton. He also mentioned that he was called by a Sutton resident whose child is in the program and who was very supportive of it.

Selectman Rick LaBonte, a strong supporter of the program, said he now has doubts because of Westlake. "I want an agreement signed by the Commissioner of Mental Health," he said.

Dave Strieby, Chairman of the Finance Committee, expressed concerns about insurance but was told by Kokernak and Stuart that both organizations have the proper coverage.

In another matter, the Selectmen voted unanimously to dispense with Town Counsel at town meetings. It was noted that the cost could run around $1,000 at each meeting due to lengthy discussions.

Give a memento that is truly unique and truly personal, something that will be enjoyed and appreciated long after it is received.

LANDFILL from Page 4

Cristo then said, "We're looking at a middle ground here. We have to be unified in our approach to the financial picture. We need a consensus."

A question was raised on any pe-payment penalty for paying off bonds. Cofske said that people buying bonds prefer to have them go the whole term.

The consensus of all parties involved indicated a preference for November 15 for a special town meeting, with the exception of Adams, who suggested December a more appropriate time to allow all parties to digest all the information in preparation for the meeting.

The board voted 2-1 to hold the Town Meeting on November 15.

The board also voted to close the warrant for the Special Town meeting on October 3rd.

Harris Place

Chase completed his weekly report by reporting that there was some concern about lighting near Harris Place. According to Chase, people in the area said that there was a light located there before the Fire Station on West Main Street was built.

Cristo suggested that Chase check with the safety officer for a recommendation.

Returning to Paid Details...

Stokowski returned to continue the discussion on how to pay for details for private construction projects. Adams said that he did not know how to solve the problem.

Stokowski reiterated his previous comment that the contractor said he didn't have the money to pay for police details. Adams said that the Chief could assign a man on duty and pay him time and a half.

Stokowski suggested again that the problem could be solved by a revolving account.

Adams then said, "If we tell them to put someone there, it's not our responsibility. Stokowski replied that contractor said it is the town's obligation and not the contractor's.

Adams replied, "It's his responsibiliy to do what the Chief of Police tells him." Adams also said, "If it is a public hazard it is not right for us to turn our back on it, no matter what the cost. We have to turn to you."

The discussion ended without any resolution on how to handle paid details for the construction projects.

In another matter, the board supported Stokowski's request to appear before the Finance Committee to seek a transfer of funds from the reserve account for the purchase of another cruiser.

It was also decided to set aside time on each week's agenda to discuss any issues the Chief wishes to bring before the board.

Council on Aging

Under "Old Business," the board approved two appointments to the Council on Aging: Bill Bedord and Gertrude Ellis.

Street Openings

Under "New Business," the board approved a number of street opening permits with the condition that repairs to the streets meet road standards and traffic control, as established by the Chief of Police.

- Angelo Scola & Sons Inc., street opening, Grafton Street to Rayburn Drive.

- Commonwealth Gas Co., street opening at 36 Maple Street.

- Mario Lapriore, street opening at 2 Curve.

The meeting adjourned at 11:05 p.m.

Crop Walk

Church World Service has called for area residents to take part in the Millbury-Sutton Crop Walk, scheduled for October 23. Forty-thousand children die every day from hunger-related diseases.

Your help is crucial. Walkers and sponsors are needed to make this year's walk the most successful one yet.

Join your friends and neighbors on the 23rd at 2 p.m. at the Millbury Common to walk the 10 kilometers to West Sutton. You'll be glad you did!

Library To Exhibit Work of Local Artist

MILLBURY - The Millbury Public Library will present an exhibit of the paintings of Janice E. Moore during the month of October. While Moore has worked in pastel and oil, this exhibit will concentrate on her recent works in acrylics and watercolors. Her work is represented in private collections in New York, New Jersey, Pennsylvania, Ohio and Washington D.C. as well as in Central Massachusetts.

Mrs. Moore is a native of Worcester, and now lives in Sutton. Her childhood interest in art expanded in early years into many creative arts, including studying the piano for ten years. In 1983, she began studies at the Worcester Art Museum with Pat Stone, Ella Delyanis, and William Griffiths in oil, pastel, acrylic, and watercolor. For the past year, she has studied privately with Griffiths, concentrating in watercolor and acrylics. In her first two years of regional exhibiting, she has been awarded five ribbons.

Moore has exhibited in the Blackstone Valley Art Association's 29th Annual Arts Festival (Honorable Mention); Blackstone Valley 30th Annual Arts Festival (G. Arthur and Violet Small Special Award); Southboro Arts Center Group Show for Award Winning Artists; Winter Art Exhibit of the Hopkinton Artists Association (3rd Place); The Friends of the Marlborough Public Library; The Millbury Arts Council Juried Art Exhibition (Honorable Mention); Blackstone Valley Heritage Week Art Show; The Southboro Arts Center Regional Juried Show (3rd Place); and the Concord Art Association Regional Juried Show.

She is a member of the Blackstone Valley Art Association and the Southboro Art Center.

Mrs. Moore is also the Administrative Assistant to the Chairman of the Board, CEO and President of the Parker Group in Northboro.

Newborn Baby Care

WORCESTER - The Childbirth Education Association of Central Massachusetts, Inc. will sponsor a Newborn Baby Care class on Thursday, October 13, from 7-9:30 p.m. in the Basement Conference Room at St. Vincent Hospital, 25 Winthrop Street.

Baby care class is a two and one-half hour class to educate expectant parents about the physical, emotional, and material needs of the newborn. The transition to parenthood is also discussed. Topics include: car seats and safety, layettes (what to buy and what not to buy), cloth diapers vs. disposables, bathing and dressing baby, illness and when to call the doctor, breastfeeding, bottlefeeding, and newborn appearance and characteristics. Both parents are welcome.

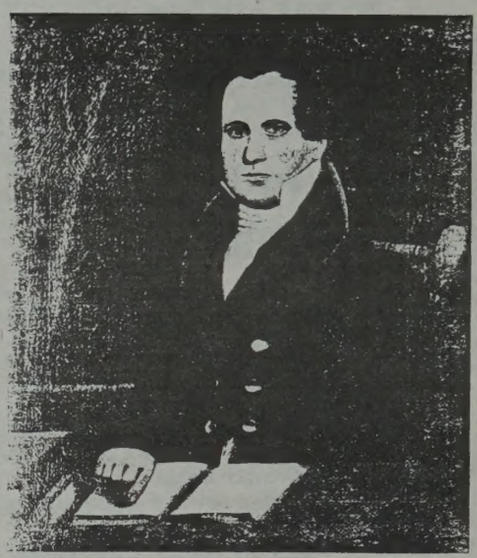
A Bit of History....

by Grace Laflash



Because it is our town's 175th birthday, I would like to share a bit of history with you.

In the previous segment, how our town received its name and its Godfather, General Caleb Burbank, were discussed.

Caleb learned the art of paper making in his father's shop, the first paper mill built in the county, most probably on the site between the brick mill at the corner of West Main and Burbank Streets and the old Bramanville fire station. He succeeded the Senior Burbank in business and became one of the wealthiest men in town.

In 1785, Caleb married Lucy Waters, daughter of Asa I. They occupied the dwelling which presently houses Bedord Real Estate. No children were born of this union.

Lucy's nephew, Asa Waters III, has recorded for posterity the following tidbit which, combined with other information, intimates that all was not well in this marriage. It seems that on the Sabbath, the General was always driven to the meetinghouse at the Old Common in a hack drawn by white horses. He was surrounded by a number of young, beautiful girls who were employed at his paper mill. Where was Lucy?

At the age of 58, Lucy died. The following year, Caleb married Hannah Smith, who passed away twelve years later at the age of 58.

General Burbank had a mansion built on Burbank Street early in the 1830's (the first house after the site where the Burbank School stood).

He served as an officer in the state militia for 28 years, retiring in 1818. On December 9, 1849, at the age of 88, he died.

Assumption P.T.G.

MILLBURY - The Assumption School Parent Teacher Guild will meet on October 13. Brief consultations with the teachers will be held from 7-8, followed by a business meeting.

Guest speaker Dr. John Sullivan, Pediatric Immunologist at the University of Massachusetts Medical Center, will discuss "Children and AIDS."

Friends Meeting

Photo courtesy of Grace Laflash

MILLBURY - The annual meeting of the Friends of the Millbury Public Library was held on September 22. The following were elected: Karen Beaudoin, Chairwoman; Diane Lewos, Treasurer; Ruth Shimkus, Recording Secretary; Grace Laflash, Corresponding Secretary; Mary Mulhane and Ruth Shimkus, Fund Raising Committee; Betty Kotzen and Grace Laflash, publicity.

A "Harvest Fare" followed the meeting. Elaine Loehmann (shown above) demonstrated how to make pumpkin soup. This was served in a pumpkin shell to all present, along with corn bread, cider, and applesauce cake. Recipes were also distributed.

New Members Needed

MILLBURY - The Millbury Arts Council is currently seeking new members. The Council is responsible for the distribution of funds allocated by the State Art Lottery Fund for art-related programs. Students of the Millbury schools, members of the Millbury Women's Club, the Millbury Public Library, The Council on Aging, and the general public have all benefited from events and/or programs funded by the Arts Council.

Meetings are held on the second Thursday of the month in the Sewerage Commission Office at the Town Hall. The next regularly scheduled meeting will be October 13, at 7:30 p.m. Stop by and see what the Council is all about.

Arts Council Now Accepting Applications

MILLBURY - The Millbury Arts Council is accepting applications for funding art-related programs. Applications are available at the Millbury Public Library and the Town Hall. All applications should be typed and received by the Arts Council NO LATER THAN October 12, 1988. You can bring in or mail applications to the Millbury Arts Council, c/o Millbury Town Hall, 127 Elm Street, Millbury, MA 01527.

Parents Without Partners Sponsors Dance

WORCESTER - The Worcester Chapter of Parents Without Partners, a non-profit organization, will sponsor an open dance on Saturday, October 15, from 8 p.m. to midnight at the P.N.I. Club on Millbury Street. General Admission is $4.

Registration Dates for November 8 State Election

MILLBURY - Tuesday, October 11, will be the last day for residents to register for the November 8 State Election.

Registration sessions have been established as follows: Town Clerk's Office, 9 a.m. to 5 p.m. on Saturday, October 1; Town Clerk's Office, Municipal Office Building, from 6 p.m. to 8 p.m. on Tuesday, October 4; Town Clerk's Office, 9 a.m. to 10 p.m. on Tuesday, October 11.

In addition to the special dates listed above, registrations will also be taken Monday through Friday, 9 a.m. to 4 p.m., at the Town Clerk's Office until the close of the registration date of October 11.

Certification Program for Coaches

WORCESTER - Friendly House, in cooperation with the Worcester Parks and Recreation Department, is offering the National Youth Sports Coaches Association (NYSCA) certification program for youth league basketball coaches. The clinic will be held at Friendly House, 36 Wall Street, on Tuesday and Thursday evenings, October 18 and 20, from 6:30-9:30 p.m. There is a $15 fee per coach.

Upon completion of the clinic, each coach is eligible for $500,000 of liability coverage, a certificate of completion, and a quarterly newsletter.

The clinic will cover the following: Psychology of Coaching Youth Sports, Maximizing Performance, First Aid, Organizing a Fun and Interesting Practice, and Basketball Techniques.

For further information contact Tony Poti at the recreation office at 799-1300.

Scoutmaster Needed

MILLBURY - St. Brigid's Boy Scout Troop 108 will soon be losing its Scoutmaster and is looking for a replacement. The Troop is offering an opportunity to a man of good character to lead and participate in the continued development of a small but well-established boy scout troop. A fully organized committee is already in place to provide necessary support.

If you think you may be interested in becoming the troop's scoutmaster, call Committee Chairman Paul Gagne at 865-5710.

Fall Fair and Flea Market

MILLBURY - The Women's Council of the Millbury Baptist Church will hold their annual flea market and fair at the side of the church on Saturday, October 8, from 9 a.m. to 2 p.m.

You may purchase table space at $5 per table (you supply) by calling Deborah Campbell, Chairwoman, at 865-2206.

Among the features will be "treasures," food/bake table, coffee and doughnuts, a concession stand featuring homemade chili, books, clothing, plants, and more.

This event will be held rain or shine.

Camp Fire Board Votes to Sell Marion's Camp

WORCESTER - The Board of Directors of Central Massachusetts Camp Fire Inc. recently voted to sell the Council's property known as "Marion's Camp" bordering Lake Singletary in Sutton. The towns of Sutton and Millbury will be given first refusal on the purchase of the property, singularly or in joint venture, for the purpose of public recreational use.

Council President Joan Ferguson cited a decline in use of the camp and the expense of maintaining the property as the major reasons for the decision to sell. "Marion's Camp has been a part of this Council for 60 years, and so of course there is sadness in letting it go," she said. "Yet, we do view this as a very positive move for the Camp Fire youth we serve. The funds we expect to realize from the sale will be invested and used to ensure that we can continue to offer creative outdoor, club and self-reliance programs in the future."

In making the decision to sell the property, Ferguson said, "We hope that Sutton or Millbury, or perhaps the two towns in joint venture, might be able to buy Marion's Camp and preserve the property for public recreational use. We have today been in contact with both town administrators to let them know of our decision."

This action by the Board of Directors follows last year's decision to close the camp for the 1988 summer season following several years of deficit financing.

Ferguson noted that the adult membership of the Council is being informed by mail of this latest decision.

Thank You

Edith T. Army wishes to thank all her relatives and friends for making her 80th birthday so enjoyable. She would also like to thank everyone for the gifts and cards.

Anniversary Mugs Still Available

MILLBURY - There is still a supply of Town Anniversary Celebration mugs available for purchase at the Village Knoll on West Main Street. The price is $5. Colors available are blue and black. See Penny or Marilyn.

Library Receives Donations

MILLBURY - The Millbury Public Library has announced that it has received a generous donation in memory of Donald J. Army. With this anonymous donation, the library has been able to purchase the five following books for people who enjoy working with wood: ***BAND SAW PROJECTS***, by Tom Crabb; ***THE COMPLETE BOOK OF STATIONARY POWER TOOL TECHNIQUES***, by R.J. DeCristoforo; ***TRADE SECRETS: TIPS & HINTS FROM THE PROS***, by Gene Schnaser; ***200 ORIGINAL SHOP AIDS & JIGS FOR WOODWORKS***, by Rosario Capotosto; and ***FURNITURE REPAIR AND RESTORATION***.

The library would also like to thank Vincent McArdle for his donation to the library of a subscription to the Massachusetts Wildlife magazine. (They would also like to extend a get well wish, and they hope to see him back in the library, soon!).

For information on how you can make a donation to the library, call 865-1181.

100th Anniversary Dinner

MILLBURY - The West Millbury Union Chapel will continue its 100th Anniversary celebration with a special catered dinner to be held at the Chapel on Saturday, November 12, at 6 p.m.

Seating is limited to 100 people. Reservations and payment must be made by October 31. For reservations, call Marsha at 886-4031 or Susan at 865-6181. Both are local calls.

The menu will include turkey and roast beef, scalloped potatoes, carrots, peas, rolls and butter, frosted cakes and coffee. The cost for adults is $10 and for children 12 and under, $6.

Invitation to View 175th Anniversary Tapes

MILLBURY - Millbury's 175th Anniversary Committee invites the public to view the first showing of the 175th Anniversary celebration tapes on Saturday, October 8 at 7:30 p.m. at the V.F.W. on South Main Street.

Tapes, commemorative medallions, and pins will also be available for purchase. Be sure your family has a memento of the town's anniversary to pass on to future generations.

Millbury Mother's Club

MILLBURY - Mark your calendars for the October 11 meeting of the Millbury Mother's Club. The Tuesday meeting will be held at 7:30 p.m. at the Raymond E. Shaw Middle School.

The guest speaker will be Dorothy Hamblett, who will discuss Theorum Painting. A raffle will also be held, with the prize donated by Ms. Hamblett.

Refreshments will be served.

Small Business Tax Workshop

MILLBURY - The Millbury Public Library and the Internal Revenue Service's Taxpayer Education Department are scheduling a "Small Business Tax Workshop." If you or your friends in the small business community are interested in attending this FREE workshop, a registration form is available at the library. You will be notified of the time and date.

The workshop will cover the following:

- An overview of the role of the IRS and the kinds of information available to businesses.
- An orientation to business taxes, identifying relationships between business organization and federal taxes.
- An overview of recordkeeping for tracking business income and expenses.
- An in-dept review of employer's responsibility for withholding income, social security and federal unemployment taxes.
- depositing of federal taxes using Federal Tax Deposit Coupons.
- comprehensive exercises involving completion of employment tax returns.

On The Shelf

By Rosemary Waltos

"There are good books and there are bad books. There is bad television and this is good television. Good books and good television ought to be good neighbors." The Millbury Public Library is pleased to announce the availability of twenty PBS programs, 217 hours worth of programming, to the Millbury community. The PBS programs are available to you through the audiovisual services of the Central Massachusetts Regional Library System (CMRLS).

In 1987, the John D. and Catherine T. MacArthur Foundation launched its MacArthur Video Classics Project. The efforts of this project were directed first at reaching an agreement with video cassette distributors in order to provide PBS video programs at a discount to public libraries. Secondly, the project focused on developing and marketing a set of select, high-quality programs to public libraries throughout the country.

In the end, a 90% discount agreement was reached between the MacArthur Foundation and video distributors which brought the cost of 200 hours of PBS programming from $60,000 to $6,000. The Foundation put together a video package of 20 PBS programs with the goal of "helping Americans expand their understanding of science, literature, history and the performing arts." They also have created the elements needed to provide promotional support of these programs, including the preparation and print of a program guide. (Program guide is available for free at the library.)

While the cost of these programs is still cost prohibitive for small libraries, including the Millbury Public Library, CMRLS is now making these programs available to all Central Massachusetts communities through their local libraries. For more information on their availability in the Millbury community, visit the Millbury Public Library or call 865-1181.

The Millbury Public Library and the CMRLS are happy to offer the MacArthur Foundation's PBS "Video Classics," to individuals and their families. All tapes are public performance authorized and available to local groups, organizations and agencies for public performance showings. Below is a sampling of a few of the programs currently available.

AMERICA (13 episodes, 52 min. each): in this award winning series, Alistair Cooke traces his pursuit of the American essence over four decades, presenting his personal view of American history. His narrative begins with the arrival of the first white settlers and traces the development of the continent up to the present day.

THE STORY OF ENGLISH (9 episodes, 60 min. each): filmed on location in sixteen countries, *THE STORY OF ENGLISH* chronicles the transformation of English from the speech of a small Germanic tribe into today's most global language.

THE AMERICAN SHORT STORY VIDEO SERIES (5 programs): dramatizations of the nation's great literary treasures including *THE MUSIC SCHOOL* by John Updike and *SOLDIER'S HOME* by Ernest Hemingway.

THE JEWEL IN THE CROWN (12 episodes in 5 cassettes, approx. 150 min. each): Adaptation of Paul Scott's epic novel, *THE RAJ QUARTET*. This is the saga of the final years of British rule in India. It deals with the impact of historical events on the lives of people caught in the turbulence of a nation struggling to break the chains of oppression.

CIVILIZATION (13 episodes, 50 min. each): art historian and critic Sir Kenneth Clark places the development of Western culture in a unique personal perspective. He uses examples from the world's treasury of architecture, art, philosophy and music to trace the course of Western culture from Ancient Greece and Rome to today.

I, CLAUDIUS (13 episodes, 60 min. each): this critically acclaimed program encompasses the

turbulent history of the imperial family of Rome from 50 B.C. to 50 A.D. as related by the Roman Emperor, Claudius.

GREAT PERFORMANCES (8 programs): a showcase of outstanding music, dance, and drama including performances by New York City Ballet and Theatre of Harlem, as well as television adaptations of the works of American authors John Cheever, Mark Twain, and Lorraine Hansberry.

A WALK THROUGH THE 20th CENTURY WITH BILL MOYERS (10 programs): noted journalist Bill Moyers explores the major events and personalities that have shaped the last century.

VIETNAM: A TELEVISION HISTORY (13 episodes, 60 min. each): the focus here is on America's involvement in Vietnam and the events in Vietnam from the 1945 revolution against the French to the U.S. evacuation from Saigon in 1975.

PLANET EARTH (7 episodes, 60 min. each): internationally known scientists focus on current theories about the formation of the earth's continents, oceans, and climate, and examine the earth's relationship to the sun and other planets, as well as its prospects for the future.

THE HEART OF THE DRAGON (12 episodes, 57 minutes each): a rare portrait of life in China today, exploring the contrasts and contradictions of the oldest continuous civilization on earth as it comes to terms with the modern world.

THE BRAIN (8 episodes, 60 min. each): the world's leading scientists explore modern brain research, providing a comprehensive look at the brain's basic operating principles, its major structural and functional systems, its cellular machinery, major forms of mental illness, and the biological foundation of emotion, memory and unconsciousness.

THE CONSTITUTION: THAT DELICATE BALANCE (13 episodes, 60 min. each): this program brings together 200 representatives in the areas of government, law, journalism, education and medicine in a series of seminars focusing on constitutional rights and public policy. Meeting at Congress Hall in Philadelphia, these panelists respond to hypothetical dilemmas, engaging in spontaneous and often heated debates on specific constitutional issues.

UPCOMING EVENTS

GUESS-THE-WEIGHT-OF-THE-PUMPKIN CONTEST: from Tuesday, October 18 - 22, the library will hold its annual pumpkin contest. Here's a chance to win your Halloween pumpkin especially decorated for the occasion by Bill Lewos, Jr. The drawing will take place at the library's annual Halloween Party on October 26 at 3:30 p.m. This program is sponsored by the Friends of the Millbury Public Library.

New Coldwell Banker Coupons

GRAFTON - When Coldwell Banker says "Thanks for doing business with us," customers receive coupons with discounts on a variety of Sears merchandise and services. The nationwide residential real estate firm has announced that it has improved this gift to homebuyers and sellers.

"The new Coldwell Banker Best Buyer and Best Seller Coupons offer many new features, including savings off regular and sale-priced merchandise on selected items at Sears," said Roger DeFelice, President of Coldwell Banker Residential Real Estate in New England. "The new 'Sears Money' coupons, for example, can be used like cash to get discounts on any regular or sale-priced product at Sears."

The coupon offers are targeted to the needs of the homebuyers and sellers. All of the most popular Sears coupons, such as 'buy two cans of paint at regular price and get the third can free', are included in the new offers, along with valuable new coupons. Another new feature exclusive to Coldwell Banker customers is the option to use the coupons on a wide range of regular and sale-priced home decorating and enhancement items, and defer billing for six months.

"Our customers expect the best from Coldwell Banker," DeFelice said, "and we're pleased to provide a money-saving gift to them at a time when they really need it. This enhanced coupon program is one of many ways we express our thanks and appreciation."

Best Seller coupons are offered to home sellers when they list their houses with Coldwell Banker; the Best Buyer coupons to buyers when they purchase a home through Coldwell Banker.

Coldwell Banker is located at 84 Worcester Street, Grafton. Coldwell Banker is America's largest full service real estate company and a member of the Sears Financial Network.

Elizabeth Zersky Chosen Teacher of the Year

MILLBURY - The Office of the Superintendent of the Millbury Public Schools has announced that Elizabeth Zersky, an English/language arts teacher for grades six and seven at the Raymond E. Shaw Middle School, has been selected as the Millbury Public Schools 1988 Teacher of the Year. Mrs. Zersky, who is also team leader for the English/language arts staff, will represent Millbury in the National Teacher of the Year Awards Program.

Mrs. Zersky was nominated from three candidates. Each of the three Millbury school principals nominated a candidate from his school. Miss Deborah Dowgert, a grade one teacher at the Elmwood Street School, was nominated by Kelton Johnson and Mrs. Donna Saucier, a High School business teacher, was nominated by Daniel Carmody. Francis Rogers selected Mrs. Zersky. Each principal and the Superintendent looked for teaching excellence, dedication and community involvement in making their selection.

Mrs. Zersky has been in the Millbury Public Schools for the past sixteen years. She attended Sutton High School and received her Bachelor's Degree from Worcester State College and her Master's Degree in teaching from Assumption College. She has also completed 45 credits beyond the Master's. Ms. Zersky is the daughter of Mr. and Mrs. Maurice Sevigny of Sutton.

The announcement noted that, "during her sixteen years of service in the Millbury Public Schools, she has been an outstanding teacher of English and language arts and has been extremely supportive to the extra class programs that have taken place for Middle School students. She has been a Horace Mann teacher in the area of writing and has done much to improve the overall English/language arts program for grade six and seven students."

The announcement continued, "Without question, Mrs. Zersky has been outstanding in serving the students of the Millbury Public Schools. As a teacher and as a team leader, she has demonstrated her dedicated service to our young people and we are delighted to have her as our Teacher of the Year for 1988."

Linda Tift Appointed Coordinator

MILLBURY - Linda Tift has been appointed Coordinator of the Millbury School Connection volunteer program. In making the announcement, the Connection noted, "Linda brings energy and enthusiasm to her new position. Her goals for the future include approaching senior citizens and business people about becoming involved in the school system, as well as possibly expanding the program to the High School."

The following Board of Advisors was voted on at the general meeting held on September 28: Hillary White, Chairwoman; Sue Gardner, Vice Chairwoman; Jodi Dromgoole, Secretary; and Linda Sarsfield, Treasurer. Public Relations, Recruitment, and Special Events are three committees which will be appointed by the chairwoman.

Millde School Librarian Barbara McCurdy addressed the gathering on the 28th and told of her first volunteer experience in a school library, which led to a rewarding career.

Also in attendance were a panel of past volunteers who shared their very positive experiences and feelings about their work.

Present at the meeting to lend support to the program were Superintendent Dr. Alfred Sylvia, Curriculum Coordinator Dr. David Troughton, Shaw Middle School Principal Frank Rogers and Principal Kelton Johnson from the Elmwood Street School.

Volunteers are still being sought for the School Connection. With a small investment of time, you can reap many dividends.

DEADLINE

The deadline for all submissions to the Millbury-Sutton Chronicle is 12:00 noon on Saturday of the week prior to publication.

St. Jude's Novena

May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred Heart of Jesus, pray for us. Saint Jude, worker of miracles, pray for us. Saint Jude, help of the hopeless, pray for us.

Say this prayer nine times a day for nine days. By the ninth day, your prayer will be answered. It has never been known to fail.

Publication must be promised.

E.K.M.
